

PRESS RELEASE

NAVSEA Awards EWA Government Systems Inc. (EWA GSI) Electronic Warfare Systems Training (EWTS) Contract

EWA GSI will provide next generation training tools to support America's EW warfighters

HERNDON, Virginia, February 22, 2019 – **EWA GSI**, a leader in Electronic Warfare (EW), is proud to announce that we will continue our longstanding support to Naval Sea Systems Command (NAVSEA) as the successful offeror for Electronic Warfare Training Systems (EWTS) competitive solicitation. In conjunction with partners SimVentions, Inc and EWProfessionals LLC, EWA GSI will provide engineering expertise for the Battleforce Electronic Warfare Trainer (BEWT), the Surface Electronic Warfare Team Trainer (SEWTT), and other ship and shore based tactical training systems. The five year contract will be led by our EW Training & Technologies division located in Fairmont, WV with a total potential value of \$32M.

EWA GSI, a trusted leader in Electronic Warfare, is enabling a more secure future by helping our customers solve their most demanding challenges. Visit ewa-gsi.com for more information and connect with us on [LinkedIn](#).
